NMAT Exam Pattern

The detailed exam pattern of NMAT is provided below. Candidates must look at these aspects before preparing for the test.

- **Language of test-** The question paper is set in English.
- **Mode-** GMAC conducts the test in online mode as a CBT (Computer Based Test).
- **Duration of test-** The whole test lasts for a total of 120 minutes.
- **Number of questions-** There are a total of 108 questions in NMAT 2020.

- **Total Marks-** The examinees are going to be evaluated out of a total of 360 marks.
- **Negative Marking-** No mark is deducted for wrongly answered questions.
- **Section-wise distribution-** Check table.

Section	Questions	Time	Score Range
Language Skills	36	28 min.	0-120
Quantitative Skills	36	52 min.	0-120
Logical Reasoning	36	40 min.	0-120
Total	108	120 min.	0-360
